

Gramática Musical

6º 7º y 8º

Colegio República de Panamá

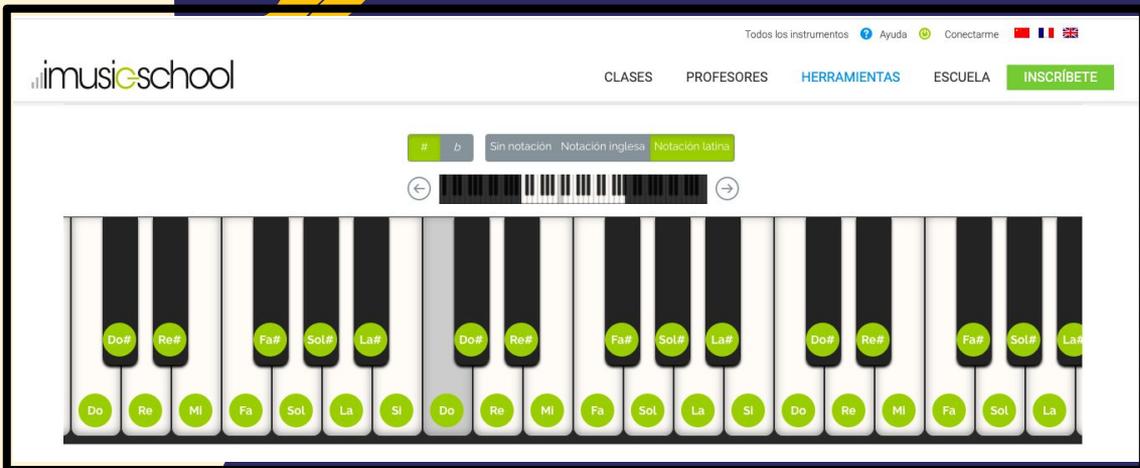

INTRODUCCIÓN

En la Guía #8, repasaremos conceptos básicos de la teoría musical en la virtualidad, lo que nos permitirá afianzar y ahondar en las temáticas abordadas durante el segundo período académico, que desarrollamos en los meses de aislamiento en casa durante la cuarentena presente en el año 2020 a causa de la pandemia COVID-19.

Preparación para dictado melódico

Entra en el link o descarga un app para poder tener un piano virtual. Toca y canta varias veces y en diferente orden las notas: DO, MI y SOL. Cuando sientas que ya las has memorizado, continua con los ejercicios.

EL CUERPO COMO INSTRUMENTO

El cuerpo como instrumento

Nuestro cuerpo como instrumento musical, está dotado de características tímbricas diversas, y estos sonidos son considerados como gestos sonoros, que nos permiten estudiar el ritmo a través del movimiento del cuerpo.

Trabajaremos sobre cuatro planos sonoros: Pisada, Chasquidos, palmas y palmas en rodillas
